Dear Mr Milasinovic,

HEPA Europe membership confirmation
The European network for the promotion of health-enhancing physical activity

We would like to confirm that we have received both parts of the application of your institution, including original signed letter. We are glad to inform you that your application (which had been supported by the HEPA Europe Steering Committee previously) has been confirmed by the HEPA Europe network at its annual meeting held on 30 September in Belfast, United Kingdom.

We are looking forward to collaborating with your institution as a new member of HEPA Europe in accordance with the roles and responsibilities as defined in section 7.4 of the enclosed Terms of Reference of HEPA Europe. HEPA Europe relies on the initiative of its members and observers and the possibilities for contributing are listed in section 8 on resources. You will receive the final work programme 2016-2017 shortly. Possibilities for interaction and meetings are described in section 9 of the Terms of Reference. Please also kindly refer to the attached guidance on support from HEPA Europe for funding applications.

We would like to thank you again for your interest in joining the network and we look forward to a fruitful collaboration.

Yours sincerely,

Francesca Racioppi
