

PhD Studentship in the Sport Sciences (102-2017)

-- Full Time Contract Type --

PhD Student Position
Faculty for Sport and Physical Education
University of Montenegro
Department of Physical Education

University Profile:

The University of Montenegro is the premier national institution of higher education with a mission to produce well-rounded graduates with academic knowledge of quality and excellence coupled with a keen spirit of volunteerism and civic responsibility. This is underpinned by committed leadership and an experienced and motivated faculty and staff body.

Faculty Profile:

The Faculty for Sport and Physical Education at University of Montenegro enrolls creative, skillful and healthy young people striving for a complete personal development, following the motto "Health and Knowledge". Physical education and sport represent a scientific area which falls within the scope of the most complex contemporary areas of research at the beginning of the third millennium. These areas of research appear to be complex because they focus their research on human beings - a very complex bio-psycho-social structures, whose physiological processes and psychological functioning modern science has not explored in their entirety. Even though modern science utilizes high technology methods and tools, it is practically still at the beginning of understanding the complex structure called a human being. At our Faculty this particular cause will always be taken into account and will be the subject of our meticulous attention, with the aim of reaching the standards of highly developed countries. The Faculty is home to the Centre for Diagnostics in Sport, and contains a computer room, sports library, student club, amphitheater, classrooms and modern studios.

Duties & Responsibilities:

Essential duties and responsibilities include the successful applicant's own research, development of the field and assessment tasks. The successful applicant must also teach, prepare and participate in practical examinations, and fulfil other tasks requested by supervisors and the Faculty Management.

Selection Criteria:

Candidates will be considered for the position based on the following qualifications: ability to teach practical part of physical education and sports-related courses; potential for or record of research in an area that falls under the national priorities list; and ability to keep partnerships with campus and community entities.

Qualifications:

1. MSc or equivalent in Sport Science and related fields from an accredited university;
2. Demonstrated excellence in teaching;
3. Fluency in Montenegrin or related languages and English.

Required Documents:

1. Current Curriculum Vitae;
2. Cover letter;
3. Teaching, research, and service philosophy;
4. Three references with contact information (postal address, email and phone number);
5. Transcript of highest degree.

The position is open from **1 September 2017** or as soon as possible thereafter.

Information on the Faculty is presented at www.fsnk.ucg.ac.me, and enquiries about the position can be made to **Stevo Popovic**, Dean of the Faculty: +382 40 235 207 and stevop@ac.me.

The University wishes our staff to reflect the diversity of society and thus welcomes applications from all qualified candidates regardless of personal background.

The deadline for applications is **5 July 2017**. Applications or supplementary material received thereafter will not be considered.

Please refer to the following no. in future communication in this case: 102-2017.
